Their Excellencies' Opening Remarks

We hope that everyone had a great time at Pennsic War. We have our birthday event quickly approaching and we have to start really working on WOW. Several people have volunteered to judge A&S on Sat but I don't recall exactly who volunteered. I don't know the schedule yet but for those attending please provide your thoughts about a potluck, probably on Sat or when the barony prefers to do it. We will be on site Wednesday afternoon. Do we want to take small (\$3.00-ish) donations for firewood? Are there other expenditures that we also need funded? Are the perimeter posts and cord in storage that Hrothny purchased last year? Do we need flags to make the cord more visible?

Come this Saturday to Wing Fling at Bellewood Manor from 1-3pm where we will be selecting two wing sauces to represent Marinus at WoW. Reminder...if you'd like to recommend someone for a baronial award for Birthday please let us know.

Raimond and Jael have stated that they will be gathering the wood we will need from their supplier for no cost. No collection needed.

We also need dessert recipes for the cook book for WOW. Please send by the end of the week.

Officer's Reports

Chatelaine:

- **New Contacts:**
- **Gold Key On Loan:** There are a few items out.
- **Demos:** None scheduled at this time (but wait until after BB)
- The Chatelaine's phone number is **(757) 685-4174**. Don't be shy about calling this number (the phone was bought especially for conducting Chatelaine business). Also feel free to text me at this number and the chatelaine email is now lined up to go to this phone as well.
- Aquiliya announced that she is working on a demo to be held at the Walk in the Dark to be held on the 24th of September at Mt. Trashmore park. It was also suggested that we check now into the giftwrapping and Barnes and Noble during the Christmas season.
- The Baronial Bookcases must be moved from their current home. New books are also being added to said library.
- Reports are up to Date!!

Chronicler:

- **The position of Deputy Chronicler is open** and needs to be filled. If you are interested, please come see me.
- Thanks to two members of our barony, we had something interesting to read on our Moot Points last month. Please continue to send anything that you would like to share with everyone. These reports go all the way to the Royalty themselves. Let's pull out some of the stories about Pennsic this year - who fought, who won, who died, who did something really great, or silly, or just downright worth mentioning. Please share those memories with those who really want to hear it. fairy.roses@gmail.com

Exchequer:

- The bank account balance is **\$4865.98**.
- General Fund - **\$3958.98**
- Pavilion Fund - **\$907.00**
- The Q2 report was sent to kingdom on time.

Herald:

- If you need a name or device registered, feel free to email or call me. My email is lizhanes@cox.net and my phone is (757) 694-1510.
- Names and Devices:
 - The following items have been sent to Laurel for the next step in the submission process

Knight Marshal:

- Practice will resume Sunday and Mt. Trashmore park.
- Marshalls need to update their information on line.
- Ivarr discussed the kingdom's new youth archery marshal program.

Mistress of Arts & Sciences:

-

Quartermaster:

- If you need access to the baronial storage unit or want to return any of the Barony's property - please call me at 399-4488. I do not regularly check my e-mail so a phone call is the best way to communicate with me.

Scriptorium:

- Scriptorium has been on hold during Pennsic. It will be getting started up again soon – an email/post will go out announcing it.

Web Minister:

- I would like to welcome everyone back from Pennsic. If you have any pictures from Pennsic and would like to share them with the barony, please send them to webminister@marinus.atlantia.sca.org.
- Our Kingdom web minister needs help with issues on the main webpage. It is called TRAC. It is a ticket tracking system that we implemented last year after Tal took office. Please consider taking a few minutes to see what kind of tasks are there. If you feel that you can take something (or part of something) on, please let Tal know

and he'll see that you get the appropriate credentials to tackle the work. If you do a Google search for "Atlantia TRAC" you can find it. So anyone with any web design skill could help out the kingdom with taking a ticket.

- Baron Talorgen has also proposed that the Web Ministers start turning in Quarterly reports. I am not sure when this will be implemented but it will ensure that the groups and the kingdom will be able to keep in contact and up to date on websites.
- Again, if you want to see something on the website, you have to send it to me.
-

Chancellor of Youth:

-

Seneschal:

- Officer's Report Reminder – please forward a copy of your report to the Seneschal and the Baron/Baroness.
 - Chatelaine
 - I would like to thank Mungoe and Siobhan for organizing another great Pennsic encampment. The "college kids" were really big help with getting the camp prepped (in almost record time) and broken down. Also, for those who have not gotten word, the person in charge of maintaining the Kingdom guard and retainer schedule for the royal camp at Pennsic was impressed and happy with Marinus. I was told that we were the only barony that provided full coverage throughout their allotted time slot. I wish to thank Lord Ivarr, Yardarm, Lord Gryffith, Sir Aradd, Baroness Anne, Baroness Siobhan, Lady Elizabeta and Yasmine.
 - Polling update – the labels were requested by the Virginia Regional Deputy Seneschal before Pennsic. The Kingdom Seneschal also forwarded the request to Milipitas. All polling ballots have been prepared and are awaiting labels. They will be mailed out once received (and now we wait...).
 - Baron Kendrick is awaiting the labels. If you don't receive a poll by mid September- mail a written vote, and a copy of your card to their Majesties/Highnesses. Let the seneschal know that you didn't get a poll.
