Their Excellencies' Opening Remarks

Greetings to Our favorite barony by the sea!

With any luck, things will start getting warmer and We look forward to spending sunny days with you all outside. Spring is a great opportunity to be seen by others who may be interested in joining the barony. In addition to seeing martial activities at Mount Trashmore, it's always great to see others practicing their crafts. We would love to see an unofficial Artisans Row on Sunday afternoons.

Speaking of, many thanks to the heralds of both Marinus and Tir-y-don for assisting the populace via a consult table once a month. It's exciting to see new names and devices within Our lands!

As always, We implore you to consider volunteering to become a deputy to an officer. It's a great way to get your feet wet and "shop" for a position you might like without the commitment of doing it.

Lady Oda's Graduate from Gold Key class was a huge success! We hope to do some more informal pattern drafting and measuring in the hall at Mid-Atlantian Archery Day if you missed out on the weekend's sewing. And don't forget, you can always get help on your sewing in progress on the last Thursday of the month at Activities Night.

When things do get warmer, We will start up a Wednesday fight practice at Our house again. Heavy and rapier fighters are welcome (archery might be hard to fit in the yard) and though it seems unimaginable in these temperatures, the pool will feel great after a long night of fighting very soon.

We have received several award recommendations and are extremely grateful for those. Remember that you do not have to have a specific award in mind to write something. Simply taking the time to describe the fine things someone else has done is a great help to both Us and Their Majesties as We pass on those words. The acts of kindness, sacrifice and valor are what matter most.

Ever in service,
Aradd and Isabel
