Barony of Marinus

Volume 28 Issue 02

Opening Remarks from the Baron and Baronesa

We have past the Winter Solstice and the days are slowly getting longer. We hope that everyone in attendance enjoyed Inter-baronial Twelfth Night. We will be hosting it next year and any bid soon would be well-received. We think there was a winter storm with a feet of snow (and we ducked it) but there may be another. The Tournament of Ymir is before us and all the fun that it will bring. We hope to see as many of you there as possible. The cabins on-site are full but there are local hotels, and let us not forget the generous hospitality extended by Lord Raimond and Lady Jaelle at their Silverleaf Estate in Clarksville, VA. Options are there!

The Tournament of the Golden Rose has been canceled. We can now concentrate on the South-hampton Ren Faire. We went last year and had a most awesome time! We encourage ALL to come and support the demo there. More details will be forthcoming.

Baron Jean Maurice and Baronesa Catalina

P.S. Don't forget that you can submit award recommendations at any time. Even if you don't know what award to recommend someone for, just let us know what you've seen them doing!

Letter from the Chronicler

We have finally passed the hectic holidays and entered the second month of the New Year! I hope everyone is staying warm and having a wonderful New Year. At the end of this month The Tournament of Ymir is upon us. It would be amazing if anyone would take pictures or write a small article on what happens at the event and allows me to put it into our Newsletter! I have gotten only a few articles/input. So please contact me anytime you need or want! I am often at the weekly meetings.

Lady Antoinette Desvincquiere
