Barony Of Marinus

Volume 28 Issue 6

Opening Remarks from the Baron and Baronessa

unto all Lords and Ladies do we, Baron Jean Maurice and Baronessa Catalina bid greetings,

We have had a full month culminating with Ruby Joust, at which we had a lot of fun. We want to thank all those that have been busting their behinds to help make all the fun happen. Also, congratulations to Lady Vittoria for winning the Ruby prize in archery at Ruby Joust. And congratulations also go out to Michael of Marinus for winning the championship in thrown weapons at Ruby Jouse. Vivat!

Looking ahead, we have the Old School War Practice this weekend out in Clarksville, VA. We look forward to many folks going and helping make it a great event and practice. And then in June there are other events to take advantage of (University, Highland River Melee's, Kings Assessments, etc.).

Also, Pennsic Panic should be starting up with all those last minute plans and projects that folks are trying to get done. We'd love to hear all about them.

Baron Jean Maurice and Baronessa Catalina

P.s. Don't forget that you can submit award recommendations at any time. Even if you don't know what award to recommend someone for, just let us know what you've seen them do!

 - Master Donal made a motion that was seconded and passed that the holder of gold key be allowed to set reasonable policy on pick up notice for loaner items.
 - Recommendations were also made that we set some policy on the grace period for return of gold key items (this may be covered by existing quartermaster policies, but we need to check)
- The Knight Marshal requested permission to take ownership of the

baronial armor in order to help maintain it and ensure it makes it to practices.

- Sir Otto made motion, which was approved by vote, to grant the KM authority to take ownership of the baronial loaner gear for the purpose of repair and provision at fighter practices
- Caronline put out an idea for armoring 101 covering how to make basic entry level armor for new fighters.
 - Sir Otto recommended a post-meeting discussion with the MoAS and KM regarding scheduling the proposed class

There being no further business, a motion was made and seconded to adjourn this Moot.
