**Officer Reports**

**Baron and Baroness:**

We had a great time at Old School War Practice. Thanks to Baron Raymond and Baroness Jael for hosting again this year and thanks to Baron Mungo for autocrating, and his staff for putting on what appears to be a growing event. The weather wasn't cooperative for swimming in the lake this year but maybe next year we can. Thank you to all that came out and supported the event.

Now we turn our eyes toward the looming conflict to our north. We need to start preparing in earnest for our trip to participate in the Pennsic War. Start preparing now for getting all the essentials packed (A&S projects, fighting gear, evening drinks, morning drinks, afternoon drinks, etc.) For those that are going to be camping in the baronial camp, the camp fee will be [\\$30.00](#) and the meal plan is \$10/day this year. Get your bows ready! Get your swords! We march northward until we hear the drums!

**Chronicler:**

Keep submitting cool things our populace does for the newsletter! Submissions can be recipes, patterns, how-to, new skills learned or just anything cool someone has done.

**Chatelaine:**

- Newcomer shout-out to everyone that came to Newcomer's night this month!
  - We had several new people attend for the first time as well as some people return for their second time
  - With having so many new faces in the Barony make sure to introduce yourselves if you see anyone new!
- Anyone that wanted to pitch any ideas for demos feel free to send a proposal to me at [hellarjd@gmail.com](mailto:hellarjd@gmail.com). Likewise if anyone has any input for Social Media you can email me or contact the Chatelaine office on Facebook via the official page.
- Any new people looking to make Rip Rap in September your first event, see me (probably after pennsic) if you have any garb needs or other questions!
- There will be no official Newcomer's night for August as I will be at Pennsic. However if those not going to Pennsic decide to open the church it will be posted on Facebook.

**Social Media**

Please continue to give input and let us know if anyone would like anything added.

**Gold Key Deputy:**

**Herald:**

Thank you to Magnifica Seraphina for having a Herald's consult table this month. Hoping to have this once a quarter. We had two submissions for arms.

**Exchequer:**

- We currently enjoy a balance of **\$ 4,948.30** as of this 5<sup>th</sup> day of July in the year 2019. [I have not received June's Bank Statement as of yet – so this is based on my figures alone.]
- Check for the Annual Storage Unit Fee (\$ 770.00 – one month free for the annual payment) has been delivered to the storage facility (and receipt obtained) so we have a storage unit for another year.
- I stopped by the Khedive Temple Wednesday, July 3<sup>rd</sup> and spoke with their Facilities Manager and the Office worker, relayed the news that our bid was turned down, and asked what procedure I had to follow in order to get our deposit back. I was told that they could cancel the event on my word and would process a check for the deposit [\$ 1,000.00] as soon as their Treasurer returned from vacation which would be July 16<sup>th</sup> and I could pick up the check on Thursday, July 18<sup>th</sup> if I so desired...
- Event report for Old School War Practise (OSWP) has been finalized. The event earned a profit of \$ 361.87 after all bills have been paid. This includes a \$ 142.00 site fee for the Silverleaf Estates property maintenance fund. My thanks to the Tollner – Baroness Catalina and her staff for keeping accurate records (really does make the job a lot easier) and the Autocrat – Baron Mungoe who had lots of help maintaining the flow and pace for the event. Lord Paganus was a major help getting all the gate receipts tallied up and reconciled.
- I have received the inventory for the Knight Marshal's office but no other as of this date. This is another project that will be delayed and I would still like everyone who holds any baronial property to inventory said property and submit an identifying descriptive list with quantities to me at or before the MOOT to be held on September 10<sup>th</sup>. This information will be consolidated into a master inventory list to be posted with our Quartermaster and possibly the website. I will make myself available for anyone who requires assistance getting this accomplished in time for our end of the year report.
- Projects to renovate various pieces of baronial property are being put on hold until after Pennsic when I will begin scheduling a series of work days.
- The second quarter exchequer's report is looming on the horizon (due 31 July 2019). [Note: Pennsic begins 26 July 2019 and I have an obligation to be there and working on Wednesday, July 24<sup>th</sup>.]
