## Their Excellencies' Opening Remarks

We would first like to thank everyone for the most lovely of investitures. Thank you in particular to Rhiannon for autocratting and to Anne for accepting the challenge of her first feast!

One thing We would like to focus on with Marinus events beyond Coronation is diversifying the barony's event sites. The Good Shepard Lutheran Church is a wonderful deal in both price and accessibility. Pipsico is also a large site for kingdom events. But in all our Our vast lands, we should have more than two event sites to use. It's good to keep relationships open with other locations to keep Our options at a maximum.

We also want to remind folks that the Society is merely trying to catch up to the modern media in use with its waiver requirements. It does not represent a major shift in a litigious world, but merely some additional paperwork to keep both the SCA and its members protected in a variety of legal situations.

We still plan on hosting practices at Our home in good weather on Wednesdays, and will just require that any non-members sign a waiver should they choose to participate in martial arts.

Our contact information is available in the Baronial Regnum as well as the Acorn. Please note that if you send an e-mail, send it to both of Us so that everyone is on the same page. We encourage everyone to bring up any ideas, questions or concerns. And as always, We are interested in any award recommendations or notes on Our exceptional populace.

Looking forward to seeing everyone at Inter-baronial Twelfth Night!

Baron Aradd and Baroness Isabel

## **New Business:**

1. Dishes for the Baronial Table have been damaged/lost over last few years – need to have 12 place settings. Dillard's carries the same pattern still. We need to also replace the totes that dishes are carried in. There was approval in the past to replace them, and to cover cost, but was never followed up on- there needs to be 5-6 totes. This should be renewed along with the replacement for dishes. Also needed are napkins and salt cellars.

***There being no further business, a motion was made and seconded to adjourn this Moot.***

## MINISTER OF ARTS AND SCIENCES

- It was pointed out that for the purposes of maintaining the Societies tax-exempt status with the IRS, two and only two reports are needed – the Exchequer and the MOAS. This office is responsible for the educational mission of the society, not just a bunch of competitions. Please help support that when we put out calls for teachers and class ideas, it will help enrich the SCA experience for everyone and further one of the very important goals of our Society.
- The KMOAS is stepping down in February, and the Kingdom deputy for Guilds has stepped down as she is now Princess. If you are interested in either of these positions please talk to me. I am sure I will have things to report after this change in leadership has taken place.
- We have been asked to assemble and maintain a list of classes members of the populace of our barony can teach, and how far those members would be willing to travel to teach them. No personal information will be published. The idea is that if an MOAS from outside the area is looking for someone to teach a class on Widget Making and we have a Widget Making teacher, I can put them in contact with each other. If you are willing to teach outside the barony, please let me know.
- A committee has been formed to revise the standard Atlantian judging sheets used in our competitions. They hope to have the new forms in use by Kingdom 12<sup>th</sup> Night. If you have questions or concerns about the judging process, how it works or does not work, please contact me. I will send out a link to the new forms as soon as they are available.

## WEBMINISTER

- The webminister is now required to send in quarterly reports starting with end of year report of 2012.
- Social Media Policy coming from the BOD:  
All social media, e-list, or internet group that has the name of our local group, kingdom or SCA in general are now considered official sites of the SCA. This means that any mention of a gathering or practice is then subject to former "official" gathering rules and regulations. This means that if you are going to have any marshaled activity, you will need a marshal and waiver forms to be signed or blue cards checked. As your webminister, I can keep an active list of those with a Blue Card on the Yahoo group under our files and when they expire. This can help the Marshals and anyone wanting to host a practice.
- Along with this new policy, the Webminister of each group will need to have Moderator privileges of message boards such as Yahoo and ownership of Social Media pages such as Facebook and MySpace.
- Release forms and Pictures:  
The Kingdom will be holding all release forms to give overall permissions for photographic use to all local groups. This list will be published. This will allow our local groups to spiff up pages. Skorri, Ursus, and many other well known SCA photographers have given permission. As a courtesy we are asked to give credit on pages and email the owner of the picture to make them aware.
- Definitions of when "Model Release" is needed. This is a fine line but the actual need is not as often as I have used in practice. This is a good thing.
- From the Kingdom Webminister:  
HELP!!!!!!! If you have any PHP, CSS, Database, Java, or any other type of web design knowledge, the kingdom needs your help! The Kindom's web page and lists are undergoing a major overhaul. This means they need help. From simple little scripts to major pages and links. Tal is very behind and could use any help. Please contact him at [webminister@atlantia.sca.org](mailto:webminister@atlantia.sca.org)

### YOUTH MARSHAL

- Many changes are coming from the BOD on youth fighting. The main and most important rule that will be coming down the pike is all divisions will be moving to rattan! This will change the requirements for armor. Rules of engagement will remain the same. Minors authorized to fight with adults will be allowed to fight Division 3 only with Division 3 rules of engagement. Division 2 and 3 can be mixed to support a full tournament with the rules of Division 2 overriding. The main marshal at any practice or event of Youth fighting must have a background check. A secondary marshal is required to have youth tournaments but is not required to have a background check. A new marshal category is being created. This "spar partner" will need to be a marshal for the safety of the youths involved. There will also be a Marshal category for the kids themselves (age 12-17) to act as instructors to other fighters.

### MINISTER OF THE LIST

- The KMOL is changing the training policy. MOL's In Training need to intern at 3 events (youth or equestrian not required to get warranted).

### SENESCHAL

- **THE SCA HAS REDEFINED "EVENTS"**. Instead of "official" and "unofficial" they are now to be referred to "kingdom calendar events" (or "calendar events") and "locally advertised events" (or "local events"). So using the topic of fight practices – if a practice is mentioned on an SCA-related e-group it just became a "locally advertised event". So we must then "CYA" by having a marshal present and waivers must be available in case any non-members want to participate.
- There is a new warrant request/renewal form. This form adds a "permission to publish" (address, phone number etc.) at the bottom of the form.
- Autocrats now have to be warranted for each event. Seneschals will initial site contracts and maintain a copy of contracts. All Deputy Autocrats must be a member. Autocrats must get permission to publish the contact info of any of their staff on the associated event website and the kingdom event calendar (an email from that person to the autocrat will suffice).
- We need to start looking at the number of events we are holding each year and make sure that we are giving an eye to **quality over quantity**. The calendar is jam-packed with events. How many of those events are really good events? How many incorporate a really good theme?
- Event place holding will no longer be allowed on the kingdom event calendar. A group must have a site (with address) and an autocrat at minimum to be placed on the kingdom calendar. No event – no spike.

### EXCHEQUER

- The Doomsday Report **MUST** be on time. Any branch that is not on time will be suspended until it is received by the Kingdom Exchequer.
- All those voting on how to spend branch monies must be paid members. If you aren't a member then you can voice your opinion. However, you do not get a vote in the matter.
