- At this time, our barony does not enjoy the service of an equestrian marshal.
- Marinus implements MORE strict guidance to ensure the safety of our populace and continues to remain with the original Reopening Atlantia guidelines published in 2020. We have implemented a color-coded tier level that meets the established KOA COVID positivity rate threshold of 5%. The threshold is as follows:
  - 2% - 3% YELLOW
  - 3% - 4% ORANGE
  - 4% - 5% RED. WILL SUSPEND PRACTICE UNTIL LEVELS RETURN TO SAFE CONDITIONS.
- Each week "Senora" Ilhuicacihuatl de Xochimilco and I review the positivity rate trending in our area. We will continue to coordinate this information and I will include trend updates each Wednesday / Thursday when posting Saturday Archery practice notice, which will allow each person the opportunity to decide their level of comfort to attend practice
- In addition to the current KOA and Marinus COVID mitigation strategies we implement each and every martial practice, as an additional measure I purchased a hand held digital non-contact forehead infrared thermometer. This will be used at the beginning of every official practice while covering the COVID safety questionnaire.

Motion passed. If Financial committee approves the budget, the event is a go.
